CHAPERONES All Cheerleaders aged 17yrs & under must have a chaperone!!

All cheerleaders aged 11 & under (at time of travel) MUST be accompanied by a parent/guardian. Cheerleaders aged between 12 and 17 (Inclusive) if travelling without a parent MUST appoint another adult aged 21 years or older as a responsible carer. Please note if you agree to Chaperone we recommend that you chaperone no more than 3 cheerleaders.

FAMILY & FRIENDS Are definitely welcome – the more the merrier!!

We have been asked whether Mums, Dads and grandparents can come and the answer is a definite yes!! Parents, supporters, family and friends are all welcome to come and stay with us. Please include all names of extra travelers on the booking form.

TOUR PACKAGE COMPULSORY FOR CHEERLEADERS & CHAPERONES

Cheerleaders must travel on the tour package, if you do not travel on the tour you cannot compete with the team. There are a number of reasons for this rule from health & safety, practice scheduling to team bonding. Chaperones must also travel with the team.

DO NOT MISS PRACTICE TO FLY EARLY

The week before we leave will be critical for routine practice. Please DO NOT book your flights to Australia to leave before your usual team practice. That is if you practice on a Wednesday then you must book to leave Thursday, thank you we appreciate your support with this.

PREPARING FOR TRAVEL

We are excited to have you represent our program and New Zealand in Australia, welcome onboard! Please make sure to read our below information to ensure you are properly prepared for your tour.

PASSPORTS & VISAS

All travelers must have a valid passport for international travel. Visa and entry permits may be required if you are not travelling on a NZ or Australian passport. If you are not a NZ or Australian passport holder you may need a Visa to travel to Australia. When applying for your passport, visa or entry permit, ensure you allow plenty of time for this prior to travel. Please note that passport, visa and entry permits are always the final responsibility of the traveler, and we cannot be held liable for any loss or expense due to the failure to comply.

INSURANCE

The competitor fee includes travel insurance for competitors only, spectators will need to obtain their own insurance for the duration of travel. A copy of the full Policy Document and wording for the competitor insurance is available on request. Below is the policy number and emergency contact number should you need this.

Policy Number: AGRG390663

Contact Number from anywhere in the world: (0064) 9 374 1775 - available 24 hours a day, 365 days a year

IMPORTANT: There is no cover for personal liability arising from your cheerleading activities as this has been specifically excluded by ACE. There are some other limitations to the travel cover which relate to your cheerleading activities – please read the attached schedule for details. Our Insurance agent has advised that athletes are not to engage in any cheerleading activities (instructing, stunting, tumbling pyramids etc.) with anyone outside of the All Star Cheerleaders program. If they do and it results in an injury to the other party they will be uninsured for any resulting liability. In New Zealand the ACC legislation means that you cannot sue for personal injury. Unfortunately in other parts of the world this is not the case. In countries like the US and Australia where someone is injured as a result of the actions of another party they may try to hold that party liable for costs and damages which could include medical bills, loss of income, loss of enjoyment of life etc.

CHAPERONE CONSENT

If you/your athlete is travelling with a chaperone you are required to provide us with an emergency contact and permission to seek/receive medical attention in the event your athlete is injured or becomes unwell whilst on tour. Please ensure you have completed this information correctly on your booking form. It is very important that we can contact you should there be an emergency.

PREPARING FOR COMPETITION

Proper preparation is the key to success. Please:

1. Reserve the day before your competition exclusively for team practices.
2. Book any sight-seeing opportunities or shopping trips for after competition.
3. Keep athletes in the usual routine they would follow at home in terms of meals, sleep and drinking water.

Why?

Making changes ie walking everywhere when you are not used to this, eating different foods at different times and going to bed late has a detrimental impact on athlete performance.

- Athletes please respect and be courteous to your chaperone, remember it is their tour too.
- Chaperones if you have any behavior trouble with any athlete please advise management, we will handle the discipline and it is typically better coming from us.
- Prior to competing the focus needs to be solely on the competition. So we ask that chaperones supervise athletes and ensure they avoid excessive walking and running around. Shopping, sightseeing and day trips need to be left till after competition.
